

# **USER GUIDE AND DIRECTIVES ON DATA COLLECTION AND REPORTING FOR DHCD STATE- AIDED PUBLIC HOUSING**

## **I. Purpose**

In response to Chapter 334 of the Acts of 2006 ("the Act"), the Department of Housing and Community Development (DHCD) has developed a spreadsheet for local housing authorities administering state public housing to report data required by the Act to DHCD. The Act provides for the gathering, compiling, and reporting of data by DHCD to provide current, accurate, and detailed information on the number, location, and residents of assisted housing units and recipients of state or federal assistance in the Commonwealth. Local housing authorities administering state-aided public housing must report data required by DHCD pursuant to Chapter 334 of the Acts of 2006 (the "Act") and the regulations at 760 CMR 61.00.

DHCD will annually report to the state legislature on its data collection efforts and results by December 31<sup>st</sup>, and may provide reports to other interested parties in a manner consistent with all applicable privacy laws. DHCD also will evaluate the data as part of its efforts to affirmatively further fair housing. More specifically, DHCD will analyze the data to ensure that housing choice, equitable housing opportunities, and inclusive patterns of housing are available across the Commonwealth.

## **II. Applicability**

The reporting requirement applies to all public housing authorities administering state-aided public housing.

## **III. Confidentiality Requirements**

In connection with data collection and reporting, all holders of information relating to a specific resident or unit shall treat such information as confidential in compliance with all applicable state and federal statutes and regulations, including M.G.L. c. 66A. All holders of said information shall implement adequate systems and procedures for maintaining confidentiality.

## **IV. When Data Shall be Collected**

Data shall be collected during initial occupancy, turnover, and rent re-determination/re-certification.

Please note: housing authorities not currently collecting all data points MUST incorporate them into initial occupancy and rent re-determination/re-certification documentation going forward and include notice to the household that the data will be provided to DHCD.

## **V. When Data Shall be Reported**

Data shall be submitted to DHCD by September 30<sup>th</sup> of every year reflecting occupancy statistics that exist in your files as of July 31<sup>st</sup> of that year.

## **VI. Data Collection Restrictions**

Any and all inquiries made on the basis of race, ethnicity, and age for the purposes contained herein must include notice that responses are *voluntary*.

## **VII. Inputting Data into DHCD's State Public Housing and State Rental Assistance Spreadsheet**

Data MUST be entered in the 2008 DHCD Data Collection Spreadsheet for State-Aided Public Housing available at <http://www.mass.gov/dhcd> (Search under "LHA Data Collection.") To open the 2008 Spreadsheet, you will be required to enter the password provided to your LHA. Selecting "File" then "Save As" will enable you to save the spreadsheet to your computer for inputting data. If certain data entries have not changed and you would like to copy said data from last year's reporting into the current spreadsheet, one way to do so is by clicking on the data entry in the previous spreadsheet and selecting "Edit" and then "Copy," followed by clicking on the 2008 Spreadsheet and selecting "Edit" then "Paste."

Data MUST also be entered as specified below, including use of all applicable codes.
